## WELCOME TO EMC

I am delighted to present the EMC, an international business networking connection, fostering collaboration between countries such as Brazil, USA, and UAE. Our primary objective is to bring together a diverse range of stakeholders to discuss the latest trends, real estate, and investment opportunities in the emerging markets.

Dubai, our chosen venue, epitomizes a thriving business ecosystem and serves as the ideal backdrop for this conference. It offers a dynamic blend of cultural heritage, technological advancements, and visionary architecture. Moreover, participants of the EMC have the privilege to explore Dubai's captivating attractions and experience its unparalleled hospitality.

At the EMC, we have curated a comprehensive program that features insightful panel discussions, expert presentations, and interactive sessions. These sessions will provide a platform for in-depth discussions on the latest trends, real estate insights, and investment opportunities in the emerging markets. Our aim is to foster an environment of knowledge exchange, networking, and collaboration.

I encourage you to actively engage in discussions, forge new connections, and leverage the expertise of your fellow participants. The EMC provides an exceptional platform to explore potential collaborations, exchange ideas, and identify investment opportunities in the emerging markets.

Together, let us seize the opportunities presented by the emerging markets, shape the future of business, and pave the way for a prosperous tomorrow.

Best regards,

Zyra Pancieri

**WHEN**

**OCTOBER 15 –  
OCTOBER 22**

The Emerging Markets Conference to be held in Dubai is an international business networking connection between countries like Brazil, USA and UAE bringing together a diverse range of investors, entrepreneurs, government officials, and experts to discuss the latest trends and opportunities in the emerging markets.

# EMC DUBAI 2023

At the conference, you'll have the opportunity to attend a variety of keynote speeches, panel discussions, and networking sessions, all focused on exploring the opportunities and challenges of doing business in emerging markets. Topics will cover emerging markets across Asia, Africa, and Latin America, the impact of technology and innovation on these markets, and strategies for successful investment and business expansion.

One of the most exciting sessions at the conference will be a panel discussion on the rise of fintech in emerging markets. This session will explore how new technologies and innovative business models are transforming the financial industry, real estate industry, and creating new opportunities for growth and investment.

Another noteworthy session will be the roundtable on sustainable entrepreneurship in emerging markets, where top entrepreneurs and investors in the region will discuss the importance of property development, agro products, fertilizer, environmental and social responsibility in business. This session is sure to provide valuable insights and perspectives on how businesses can operate sustainably and responsibly while still achieving success.

In addition to the informative sessions, the conference also provides a unique opportunity to network with other professionals in the industry, build new business connections, and learn about the latest products and services on display at the exhibition area.
